

TERMS AND CONDITIONS FOR THE SALE OF GOODS OR SERVICES

1. GENERAL PROVISIONS

1.1. Scope of application

These Terms and Conditions of Sale (hereinafter the "Terms and Conditions") apply to all the supplies of products marketed by Neodecortech (hereinafter the "Products") to the customer (hereinafter "Customer"). For this purpose, the Terms and Conditions shall constitute an integral part of each contract for the sale of Products (hereinafter the "Order").

1.2. Bids, purchase orders and order confirmations

The Customer Order shall be placed in writing. Each product Order sent to Neodecortech shall constitute a contractual proposal by Customer and shall therefore be binding on Neodecortech only if confirmed by it for acceptance. Fulfillment of the Order is equivalent to confirmation and acceptance of the Order. Customer shall verify actual conformity between the ordered items and the information provided in the order confirmation. In principle, Neodecortech commits to sending the order confirmation within 2 working days from receipt of the order for existing product codes, within 4 working days for new product codes, unless otherwise notified or in cases of force majeure (Article 1.8.).

1.3. Applicable law and jurisdiction

The Contract and these terms and conditions shall be governed by and construed in accordance with Italian law.

Any and all disputes arising out of or in connection with the Order and/or the Contract, their effectiveness, validity, performance, interpretation, termination, as well as any and all dealings relating to or connected with the Order, and any and all related give and take reasons, shall be submitted to the exclusive jurisdiction of the Court of Bergamo.

1.4. Confidentiality

Customer shall treat all company information, drawings, designs, specifications, and any other information and data provided by Neodecortech as confidential. Without prior written consent from Neodecortech, Customer shall not disclose this information and data to any third party or utilize them for purposes other than those authorized by Neodecortech. Upon Neodecortech's request and, in any case, upon cancellation of an Order, Customer shall return to Neodecortech all documents, files, and correspondence provided by Neodecortech, whether marked as confidential or protected by Neodecortech's intellectual property rights. Customer shall not assign or transfer any rights and obligations under a Contract without the prior written consent of Neodecortech. Any assignment made without such consent shall be deemed ineffective against Neodecortech.

1.5. Customer non-compliance

In case of delayed payment beyond the terms specified in the Order, interest on arrears shall apply as per Legislative Decree 231/2002 ("Payment Delays in Commercial Transactions"). Neodecortech reserves the right to terminate the Order and any other existing Orders with Customer due to a loss of confidence, resulting in the cessation of supplies in the case of a contract with continuous and/or periodic execution, or the non-provision of supplies that are pending execution and/or have not yet been fulfilled. Customer is not entitled to make any claims under any circumstances or for any reason, including claims for compensation due to damages.

In such case, Customer shall remain liable in any and all capacities and/or reasons for any and all damages that Neodecortech may incur, due to Customer's non-compliance, inaccurate, and/or delayed performance of its payment obligation within the specified time limits. Neodecortech has a right of retention of any sums paid by Customer. Additionally, Neodecortech reserves the right to offset its claims against Customer with any claims Customer may have against Neodecortech, including those related to other Orders or existing agreements with Customer.

Customer and Neodecortech explicitly acknowledge that termination shall be enforced pursuant to Article 1456 ("Express Termination Clause") of the Italian Civil Code.

1.6. Business Ethics

Customer declares that it is familiar with the content of Legislative Decree no. 231 of 8 June 2001 (hereinafter the "Decree") and acknowledges that Neodecortech has adopted an Organizational Model

pursuant to the Decree. Customer declares that it has read and understood the content and principles, rules and provisions of the Code of Ethics adopted by Neodecortech, available at <https://www.neodecortech.it/eticaecompliance/>, and undertakes to behave in compliance with the Organizational Model and the principles of the Code of Ethics and, in any event, in such a way as not to expose Neodecortech to the risk of application of the sanctions provided for by the regulations in force.

Established failure by Customer to comply with this commitment shall constitute a serious breach of its obligations under the Order, and shall entitle Neodecortech to terminate the Order with immediate effect, without prejudice to its right to compensation for any further damages caused by such breach and the protection of its rights in all appropriate venues.

1.7. Quality, Environment and Safety

Customer shall assume the risks associated with the Products upon their delivery to Customer or upon taking custody of the Products on behalf of Customer. Ownership of the Products supplied shall not be transferred to Customer until the date on which Customer has paid the relevant price and fulfilled all its further obligations arising under the Order.

1.8. Force Majeure

Neodecortech shall not be held liable towards Customer for any failure or delayed delivery of Products or failure to perform any other obligation if such failure or delay is caused by any act or circumstance beyond Neodecortech's reasonable control such as, but not limited to, act of God, flood, fire, earthquake, explosion, terrorist act or vandalism, governmental action, strikes or other labour disputes (even if they do not involve its personnel), transportation restrictions or delays, or inability or delays in obtaining supplies of adequate or suitable materials. It remains understood that if the force majeure event persists for a period of 3 (three) months, Customer shall have the right to cancel the relevant Purchase Order.

1.9. Disclosure on the processing of personal data

In compliance with the provisions of Regulation (EU) 2016/679 on the Protection of Personal Data (hereinafter the "Regulation"), pursuant to Article 13, this article is intended to provide all the information required for the processing of personal data of Customer.

The Data Controller, Neodecortech S.p.A., shall process the personal data it will become aware of as a result of the Order and/or Contract in a lawful, fair and clear manner, in compliance with the principles set forth in the Regulation, guaranteeing the protection of personal data and fundamental rights and freedoms.
